Dear Friend,

I am writing to you today in hopes that you will consider supporting the Cos Cob Fire Police Patrol's annual benefit. Over the years, we have relied on the generous support and outreach from the citizens of the Town of Greenwich. Our annual event has been a success due to the tremendous support from the community and we look forward to the opportunity to make this year's event even more so, with you involved.

The Cos Cob Fire Police Patrol, Inc. is an all-volunteer, not for profit organization dedicated to protecting the residents of the Town of Greenwich since 1927. The Patrol provides a broad spectrum of services to residents and first responders including firefighting, salvage operations, traffic and scene control at emergencies. One of the few nationwide organizations remaining which specialize in the art of salvage work, The Patrol specially trains its members to protect valuable personal property, inside of a home or business, in an emergency that could otherwise be destroyed due to fire, water or smoke damage. The Patrol proudly serves the entire town of Greenwich. The Patrol is under the command of its own Chief.

**Sabrina Pray Forsythe** will be presented with the Cos Cob Fire Police Patrol Chiefs Award by Patrol Chief Sebastian C. Dostmann for her dedicated service to First Responders, Veterans, the Town of Greenwich and her support of The Cos Cob Fire Police Patrol, Inc. Sabrina's long term commitment to service and philanthropy is unparalleled. Her dedication to helping others, sharing of her passion to the service community, and her love for our veterans, has played an important role in shaping who she is. Forsythe has been a long standing member of the community who has also passed on her passions and commitments with her daughters and family.

More than 200 guests from Greenwich, CT and surrounding towns will be on hand for dinner, dancing, and auctions. Renowned New York City DJ Marvin Myers will provide the entertainment for the evening. Our goal for this year's fundraiser is to cover our annual operating budget as well as to secure funding for larger capital expenditures such as modernizing our communication equipment and upgrading personal protective equipment for members and more. We are currently seeking sponsors to assist in underwriting our event, purchasing tickets to attend, or taking out an ad in our journal, and to support our overall mission. I'm hoping you might consider sponsoring our event and I have attached various ways that you might consider participating.

I would be happy to discuss and share more information about what we do and what we're hoping to accomplish with our March 27 fundraiser. It would be great to meet with you and give you a personal tour of the fire house and our operations. The Patrol is a 501(c)3 organization, and any contribution to The Patrol is tax-deductible to the fullest extent of the law.

Thank you again for your consideration!
